Golden Lamp Award Finalist

“Periodicals” category

Writing

The Golden Lamp is the most prestigious award within the field of educational publishing. Publishing professionals, educators, and librarians recognize winners as providing the most outstanding materials for learning. In addition to encompassing content and design that transcends the best in its category, Golden Lamp pieces are critiqued on their fulfillment of their educational mission.

Distinguished Achievement Awards Nominations

The Distinguished Achievement Awards recognize the best educational materials—such as books, periodicals, educational toys, and software—within subject categories and by audience.
